## Message from the East

Dear Brethren,

Singing "CALL 'ROUND ANY OLD TIME" at our banquet is a cherished tradition of masonry. This happens following the toast to the visitors when we express gratitude to our guests for dedicating their time to be with us. It's a poignant moment in the evening, reaffirming our dedication to brotherly love and the openness of our doors.

Yet, the true essence of the song's message may elude us if we never step into the role of a visitor ourselves. It's difficult to fully grasp the significance of the lyrics unless we've experienced the warmth of another lodge's welcome. To appreciate the depth of brotherly love, we must reciprocate the gesture of visiting.

Visiting other lodges is more than a tradition, it's a privilege, and a pathway to growth. By extending our fraternal bonds to other lodges, we open doors to new perspectives, ideas, and shared experiences. These visits offer a unique opportunity to learn from our fellow Masons, strengthening the ties that bind us together.

Reflecting on my past, visiting other lodges wasn't always a priority. I once believed that our lodge encapsulated the essence of Masonic teachings, assuming it was enough for personal growth. It wasn't until our 200th year, when we welcomed brothers from all over, that my perspective changed. Surrounded by visiting brothers, I finally understood the vital importance of visitation — an opportunity to forge deep connections, realizing that brotherhood extends beyond the four walls of our individual lodges.

This year, I've committed to visiting every lodge in our district and participating in as many district events as my cable tow allows, and I encourage you to do the same. I promise you that by joining me in this journey, you'll leave each evening not with regrets but enriched, with a profound understanding and appreciation for the genuine meaning of Brotherly Love, contributing immensely to the depth and richness of your own Masonic journey.

Through visitation, we not only honor our commitment to Freemasonry but also cultivate a more profound sense of unity and brotherhood.

*"The world is a book, and those who do not travel read only one page." - St. Augustine*

Your Brother,

Worshipful Brother Joshua Marion

## Message from the Secretary

Brethren,

For this year I will also be using [secretary.st.andrews16@gmail.com](mailto:secretary.st.andrews16@gmail.com) for all the official lodge email correspondence and e-transfers. I would also ask that all the brethren please email me your current mailing address and phone number as I am currently updated and confirming entries in our contact list.

If you wish to be added to our St. Andrew's WhatsApp chat group please let W. Bro. Josh Marion, W. Bro. Arthur Redublo or W. Bro. Allister Ttooulias know as we are the admin members of the chat room. Please also join our lodge Facebook group " [St. Andrew's Lodge No. 16](#) " for more photos and updates.

As we near the half way point of this Masonic year where we have held two emergent meetings already and had three degree nights. I want to congratulate the brethren on the dedication and hard work they have exhibited so far to reach and maintain the standard of ritual work we want to see at our lodge. It is this level of effort and commitment that really does help make these degree nights a memorable one for the candidate.

I encourage all the brethren to please seek out any assistance that is available to them to help prepare for the degree nights, this could be attending one of the Lodge of Instructions or participating in one of the practice nights and evening calling up one of your sponsors to ask them for help. Know that your fellow brethren want to see you succeed and they will do their best to help you as long as you are willing and able to put in the effort required.

Remember brethren it is always better to ask for help when you need it.

W. Bro. Allister Ttooulias

Secretary
